Dear Music at McClellan Sponsor,

On behalf of the M@M Committee, Calhoun County Commission, Anniston Council on the Arts and Humanities, McClellan Development Authority, Jacksonville State University, Alabama Symphony Orchestra and Co-Chair, Josephine Ayers - thank you for your generous donation to Music at McClellan!

The sixth season will include all the excitement we have come to expect with world class talent and an evening of patriotic symphony. As you know, this year brings us the most diverse season ever with *The Machine performing Pink Floyd*, Ruben Studdard and the annual thrill of the Tchaikovsky's 1812 Overture accompanied by the cannon fire.

This year, upon arrival, sponsors will be offered a glass of wine or soft drink with a snack. In an effort to utilize your generous contribution to its maximum potential, the VIP Welcome Tent will close at the beginning of each concert so be certain to bring plenty of your own *amenities* for the duration of the show.

Enclosed you will find your sponsor benefit accessories:

- Your sponsor's parking pass is to be placed on the driver's side of your dashboard. It will provide you access to your on-site parking where our volunteer attendants will guide you to the most convenient parking spaces.
- Please wear your sponsor lanyards at all times before and during the concerts but be sure to have your "Anytime Tickets" with you for admission; your sponsor lanyard is not a ticket.
- Use your complimentary "Anytime Tickets" for yourself and your guests and distribute the remainder to your employees or friends. An "Anytime Ticket" may be used only once, but is good for any of the three performances.

Our gates open at 6:00 when a team of well-trained volunteers will be waiting to answer your questions and guide you to your favorite place in the park. Remember to bring whatever you want to make your experience comfortable (folding chairs, blankets, small tables, picnics, etc) and review our new website ([www.musicatmcclellan.org](http://www.musicatmcclellan.org)) for additional information. The shows begin at 8:00 p.m.

We couldn't do this without your support, so again THANK YOU for your contribution to Music at McClellan!

Sincerely,
