Ruben Studdard

**Saturday, June 6, 2009 – 8 pm**

For almost six months, millions watched Birmingham's own Ruben Studdard on "American Idol." The final vote was cast: Ruben emerged victorious. His new album, "Love IS," scheduled for release on May 19, is a soulful collection of love songs including the hit single "Together." Let's give our fellow Alabamian a homecoming welcome none of us will ever forget.

## Welcome from the Committee Co-Chairs

Along with its many sponsors, the Calhoun County Commission, Jacksonville State University and the McClellan Development Authority (MDA) are proud to have taken the lead in bringing you this sixth season of *Music at McClellan*. Thank you for supporting the series and thank you for your continued interest in the redevelopment of the former Fort McClellan.

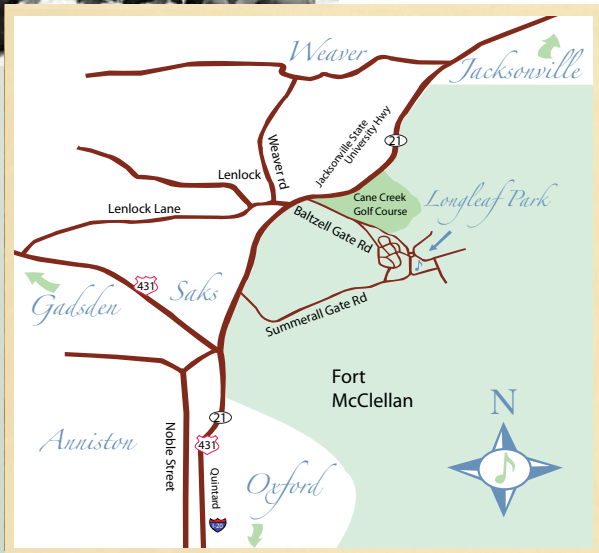

Over the past five seasons and twenty concerts *Music at McClellan* has developed a loyal following. As you know, this season has been reinvented to be more cost effective and more diverse than ever. Next year we hope for additional savings through the use of the Montieth Amphitheater. While it's taken longer than expected, renovation is nearly complete and we all look forward to having a permanent and historically significant venue.

Please contact us if you have suggestions for the future. Now, please enjoy the show and again, *thank you* for supporting *Music at McClellan*!
